

In the Wind

Like a bird in the wind
Like a sail on the sea
I'm in love I give in
Oh Lord, take control of me

Chorus: I surrender
I give my all to You
So I surrender
Here I am

Like the boy with the bread
Like the lady's sweet perfume
I lay down all that I have
So that others might know You

Bridge: Is he a fool who gives his life
A life he cannot keep
To follow after Jesus Christ the One
And in the end he finds his life
But not the kind we know
For unless a seed will die
It never grows
