F G Am  
You've called to me, I've heard Your voice, deep within my soul  
F G F G  
You've given me a sword to fight, just show me where to go

**Chorus:**  
C G F G  
I'm Your soldier now  
C G F G  
Contending for the crown  
C G  
Here am I, send me Lord  
Am  
It makes me very proud  
C G F2  
To say I'm Your soldier now

**Verse 2:**  
Who can hear this generation crying?  
And who will stand in the gap for them in prayer?  
Who will go even if it means dying?  
Where's the man or the woman that cares?  
Oh here am I, a willing one, I'll fight until the end  
You've given me everything that I need to win
