

# GraceLife

Dear members and friends of GraceLife Church,

We're excited about what God has done at GraceLife Church in Avon, NY in just a few short months. We have seen our leadership team come together, doors opening to reach the lost, and many added to our number. Our pilot community group exploded, and we're re-launching with three new missional community groups. Our first Sunday service is just around the corner, and there's a lot of enthusiasm. The need for new equipment, rental fees, and staff support is critical.

Due to the expansion of the ministry so quickly, I'm writing to ask you to consider giving a financial gift to GraceLife Church. Perhaps this is something you can do with your tax return. This will cover many of the start up costs associated with a new ministry venture. Please consider your gift as "*virtue capital*."

Please prayerfully consider the enclosed card and return it by February 25<sup>th</sup>.

Feel free to contact us with any questions. Thanks so much for considering your partnership in GraceLife Church!

Much grace,

Derek Levendusky
